

A storm is coming to Harbor City.

Only one hero can read the signal in the clouds.

SkyGuard: I protect the city with facts!

SCENE 1

Mara discovers the Sky Compass in the old lighthouse. It stores one charge every 24 hours.

SCENE 2

The compass points north-east when a storm is 30 minutes away. Mara races toward Harbor City.

FACT FILE

Hero: Mara Vale, known as SkyGuard

Home base: Harbor City Lighthouse

Special tool: Sky Compass

SKYGUARD

THE CHOICE

SCENE 3

The storm reaches
the city early.
Mara has one charge
left in the compass
and two routes to choose.

SCENE 4

Route A crosses
Market Bridge.
Route B passes the
old rail tunnel.
Both are 2 miles.

Mara: Evidence first. Guessing puts people at risk.

SCENE 5

The compass flashes
three times near
Market Bridge.
Mara learns the
bridge alarm is broken.

SCENE 6

She repairs the alarm
and guides the crowd
to safety before
the first lightning
strike.

A careful hero checks the signal before acting.

Harbor City is safe.

The repaired alarm now protects the bridge every night.

Mayor Lin: Thank you, SkyGuard!

SKYGUARD RECORD

The Sky Compass stores one charge every 24 hours.
A storm signal appears 30 minutes before the storm.
Market Bridge and the old rail tunnel are both 2 miles away.
Mara Vale protects Harbor City from the lighthouse.
